

We're hoping to have some good days for Maroon & Capitol this week.

Steu is emailing our schedule, so let us know if you can come.

Thanks for your generosity! (a donation and safety equipment) it is very appreciated! We'll get the helmet & light back to you @

Dear Kendra,

It was awesome to climb with you. I hope we can find at least one more you can come along on of course, as soon as we gave up on aspen weather it got clearer. We have had about 4 days of beautiful sun w/ no afternoon showers.
